QGA WIRING DIAGRAM for VANTAGE with a RELAY and ELECTRONIC LOCK

Menu 8 – Gate Lock
1) Gate lock enabled = on
2) Lock Type = sol (Viro/ solenoid) or mag (maglock)
3) Release Time
   a. Pre Release Time 0.8 sec
   b. Release Time 2 sec
   c. Lock location = closed
   d. Lock drive = DC
4) IMPORTANT: If you are using a solenoid style lock you will need to change the lock drive type to DC when ever you set limits.
